Board Practices and Committees

Ten of the Board members have been determined to be independent within the meaning of applicable Nasdaq regulations. The Board includes two independent directors mandated under Israeli law and subject to additional criteria to help ensure their independence. See "— Statutory Independent Directors" below. The terms of the directors are set forth in the table above.

All directors are entitled to review and retain copies of Teva's documentation and examine Teva's assets, as required to perform their duties as directors and to receive assistance, in special cases, from outside experts at the expense of Teva (subject to approval by the Board or by the appropriate court).

Board Practices and Procedures. Historically, Teva's Board members have been elected for terms of three years. Teva believes that this system of multi-year terms allows Teva's directors to acquire and provide Teva with the benefit of a high level of expertise with respect to its complex business.

Board Meetings. Meetings of the Board of Directors are generally held every four-six weeks throughout the year, with additional special meetings scheduled when required. The Board held fourteen meetings in 2003.

Directors Service Contracts. Teva does not have any contracts with any of its non-executive directors that would provide for benefits upon termination of employment.

Home Country Practice. Teva is in compliance with corporate governance standards as currently applicable to Teva under Israeli, U.S., SEC and Nasdaq laws and regulations.

As further described below, Teva is in the process of adopting an audit committee charter formalizing its procedures and duties and also considering a nominating procedure, each pursuant to applicable laws and regulations.

Communications with the Board. Stockholders or other interested parties can contact any director or committee of the Board by writing to them care of Teva Pharmaceutical Industries Limited, 5 Basel Street, Petach Tikva, Israel, Attn: Corporate Secretary or Internal Auditor. Comments or complaints relating to Teva's accounting, internal controls or auditing matters will also be referred to members of the audit committee as well as other bodies of the Company. The Board has adopted a global "whistleblower" policy, which provides employees and others an anonymous means of communicating with the audit committee.

Statutory Independent Directors

Under Israeli law, publicly held Israeli companies such as Teva are required to appoint two independent directors, who must also serve on the audit committee. All other Board committees must include at least one independent director. Such statutory independent directors are appointed by the general meetings by the holders of a majority of Teva's ordinary shares and must meet certain non-affiliation criteria – all as provided under Israeli law. An independent director is appointed for an initial term of three consecutive years, and may be reappointed for one additional three-year term. Regulations promulgated under Israeli law set the minimum and maximum compensation that may be paid to independent directors. At present, Prof. Gabriela Shalev and Dr. Leora Meridor serve in this capacity.

Committees of the Board

Teva's Articles of Association provide that the Board of Directors may delegate its powers to one or more committees of the Board as it deems appropriate to the extent such delegation is permitted under the Israel Companies Law. Each committee must include at least one independent director. The Board has appointed audit, compensation, finance, science and technology, and community affairs committees.

Audit Committee

Israel's Companies Law mandates the appointment of an audit committee comprised of at least three directors. The audit committee must include both statutory independent directors and may not include certain members of the Board. Under the Israeli Companies Law, the audit committee is responsible for overseeing the business management practices of the company in consultation with the company's internal auditor and independent auditors, making recommendations to the Board to improve such practices and approving any transactions with affiliates. In accordance with the Sarbanes-Oxley Act and Nasdaq requirements, Teva's audit committee is directly responsible for the appointment, compensation and oversight of Teva's independent auditors. In addition, the audit committee is responsible to assist the Board in monitoring Teva's financial statements, the effectiveness of its internal controls and its compliance with legal and regulatory requirements. Teva is in the process of implementing a formal audit committee charter embodying these responsibilities.

The current members of Teva's audit committee are Dov Shafir (Chairman), Prof. Gabriela Shalev, Dr. Leora Meridor, Dr. Max Reis, Prof. Moshe Many and Prof. Meir Heth (the audit committee financial expert), all of whom have been determined to be independent as defined by the applicable Nasdaq rules and those of the SEC. During 2003, the audit committee held ten meetings.

Teva's Board of Directors has determined that Prof. Meir Heth, a member of its audit committee, is an audit committee financial expert, as defined by applicable SEC regulations.

Compensation Committee

The compensation committee is responsible for determining, or recommending for determination, the compensation of Teva's executive and other officers and making proposals to the board with respect to the terms of employment of such individuals. The current members of Teva's compensation committee are Prof. Meir Heth, chairman, Harold Snyder, Amir Elstein, Dov Shafir and Prof. Gabriela Shalev or, in her absence, Dr. Leora Meridor, all of whom have been determined to be independent as defined by the applicable Nasdaq rules and those of the SEC. During 2003, the compensation committee held two meetings.

Finance Committee

The finance committee is responsible for overseeing financial strategies and financing policies, as well as a variety of other financial-related matters. The current members of the committee are Eli Hurvitz, Chairman, Dr. Leora Meridor, Prof. Gabriela Shalev, Amir Elstein and Prof. Meir Heth. The committee held four meetings in 2003.

Science and Technology Committee

The science and technology committee is primarily engaged in the review and analysis of the annual budgets and plans of the innovative and generic R&D divisions and Teva's relationship with

the scientific community. The current members of the committee are Prof. Moshe Many (Chairman), Eli Hurvitz, Prof. Gabriela Shalev/Dr. Leora Meridor, Prof. Michael Sela, Amir Elstein, Dr. Max Reis, Dov Shafir, Abraham Cohen and Harold Snyder. The committee held three meetings in 2003.

Community Affairs Committee

The community affairs committee is primarily engaged in the review and oversight of Teva's programs relating to community and public policy issues. These activities include financial and other participation with respect to various medical, educational and cultural institutions and events. The current members of the committee are Eli Hurvitz (Chairman), Ruth Cheshin, Prof. Gabriela Shalev, Prof. Meir Heth, Dov Shafir, Leslie Dan and Prof. Michael Sela. The committee held two meetings in 2003.

Code of Ethics

Teva has adopted a code of business conduct applicable to its executive officers, directors and all other employees. A copy of the code is available to every Teva employee upon request to its human resources department, to investors by contacting Teva's investor relations department and to others through the legal department or the internal auditor. Any waivers of this code for executive officers or directors will be disclosed through the filing of a Form 6-K. The Board of Directors has approved a whistleblower policy which functions in coordination with Teva's code of business conduct and provides an anonymous means for employees and others to communicate with various bodies of Teva, including the audit committee of its Board of Directors.

PROPOSAL 4: APPROVAL OF LIABILITY INSURANCE
